

July 1, 2017

Dear Subscribers,

We had a wonderful 2016/2017 Season and are now gearing up for the fall. Attached you will find the registration form for Rye FSC's Subscription Ice for the 2017/2018 Season which will run Tuesdays and Thursdays from September 5, 2017 until June 7, 2018. Each Session will run from 5:20 to 7:20pm. The acceptable Test Level for purchasing Sub Ice for Tuesdays or Thursdays, is now Pre Preliminary and above.

Please read this letter thoroughly as some of our guidelines have changed:

The registration form requires a signature on the 2nd page, which will need to be completed in its entirety and both pages sent back to us with your first payment. Please make sure every line item on the registration form is complete. We will not accept forms with any missing information and will send them back to you to complete, which will put your skater in jeopardy of losing their spot. Please note that there is new information on the 2nd page of registration form, so please make sure that you and your skater review.

\*\*\*You must sign 2nd page for the registration form to be valid.\*\*\*

We are happy once again, to extend the option for an Installment Plan. The Installment Plan will continue to be in three payments, but the due dates have changed. We are also extending the option for a \$50 discount if you are paid in full for the season by the August 1st deadline. If you choose the Installment Plan, please be aware of the Due Dates for your payments and mark them on your calendars. RFSC is not obligated to remind you of your Due Dates, and if left unpaid for 10 days past a due date, your skater will not be allowed on the ice, regardless of whether they have a scheduled lesson or not. THERE WILL BE NO EXCEPTIONS.

Please note there will be no ice session on a few dates for both Tuesdays and Thursdays. Please see the Registration Form for specifics. Also, please note that we have a shortened Tuesday night session on 11/21, which has been accounted for in the cost of the Tuesday Night Ice.

Please make sure you are registered as a Home Club or Associate Member BEFORE you register for Sub Ice. You can register at our website. ([www.ryefsc.org](http://www.ryefsc.org))

Please remember that this registration for Subscription Ice is for the full term and for the full session each night, and that when you establish a registration for Subscription Ice, you are contractually obligated for the full cost of the Session regardless of whether you skate each week.

We are looking forward to another successful year for our skaters and are always striving for a wonderful experience in a safe environment.

Any questions, feel free to contact the Sub Ice Administrator, Donna Young, at [donna@youngcompanies.com](mailto:donna@youngcompanies.com).
