2016/2017 ICE SUBSCRIPTION INFORMATION

SESSION INFORMATION

The ice time is sold by yearly subscription. Because our ice sessions fill quickly, purchase your subscription soon to guarantee a spot. Please note that the Tuesday & Thursday Sessions are full year subscriptions and by signing up you are **required to pay for the 2016/2017 Subscription Contract**. You may pay in 3 installments.

Walk-ons may be honored **only if space permits** and will be charged at \$35 per hour for first hour or \$60 for 2 hours.

If space is available, any walk-ons must be cleared with the session monitor before the skater takes the ice.

If the session is completely subscribed, walk-ons **will not** be permitted. You may contact the Session Administrator, Donna Young donna@youngcompanies.com, to confirm if a session is available.

We limit the number skaters on each session for purposes of skater safety. Sessions are also restricted to skating level (see table above). If necessary, adjustments may be made at the Rye FSC Board's discretion. If more than the allotted number of skaters applies for any session, some skaters may not receive a spot.

You will be notified if the session is filled. Ice subscriptions are awarded as follows:

- 1) Home Club Members: Prior Subscribers
- 2) Home Club Members
- 3) Associate Members: Prior Subscribers
