

July 13, 2018

Dear Subscribers,

We had a wonderful 2017 / 2018 Season and are now gearing up for the Fall. Attached you will find the registration form for the Rye FSC's Subscription Ice for the 2018 / 2019 Season which will run from September 4, 2018 – June 6, 2019. Each session will run from 5:20pm – 7:20pm. The acceptable Test Level for purchasing Subscription Ice for Tuesdays and Thursdays, is Pre- Preliminary Moves in the Field and above.

Please read this letter thoroughly:

The registration form requires a signature on the 2<sup>nd</sup> page which will need to be completed in its entirety and both pages returned to us with your first payment. Please make sure every line item on the registration form is complete. We will not accept any forms with missing information and will send the forms back to you for completion, which will put your skater in jeopardy of losing their spot.

\*\*\* You must sign the 2<sup>nd</sup> page for the registration to be valid\*\*\*

We are happy to once again again extend the option for an installment plan. The installment plan will continue to be in three payments. In addition, we are extending the option for a \$50 discount if you are paid in full for the season by the August 1, 2018 deadline. If you choose the installment plan, please be aware of the payment due dates. Rye FSC is not obligated to remind you of the due dates for your payments and if left unpaid for 10 days past the payment due date, your skater will not be allowed on the ice regardless of whether they have a scheduled lesson or not. THERE WILL BE NO EXCEPTIONS.

Please note there will be no ice session on a few dates for both Tuesdays and Thursdays. Please see the registration form for details.

Please make sure that your skater is registered as a Home Club or Associate Member BEFORE you register for Subscription Ice. You can register at our website. ([www.ryefsc.org](http://www.ryefsc.org))

Please remember that this registration for Subscription Ice is for the full term and for the full session each night, and that when you establish a registration for Subscription Ice, you are contractually obligated for the full cost of the session regardless of whether or not you skate each week.

We look forward to another successful year for our skaters and as always striving for a wonderful experience in a safe environment.

Any questions, feel free to contact the Subscription Ice Administrator, Julie McGuire at [mcguire1999@optonline.net](mailto:mcguire1999@optonline.net).
